### What is Messianic Prophecy?

There are many instances in the New Testament that cite the Hebrew Scriptures to support claims that Jesus of Nazareth is the Messiah, the Christos, the Anointed one. Although most of the most frequent ones are from the Book of the prophet Isaiah, references and connections have been made from the whole corpus of the Jewish scriptures. This three-week series will explore the prophecies in the OT and how they are considered fulfilled in the NT through Jesus the Christ.

Today we will explore the more well-known prophecies from Isaiah and the psalms.
